

COMPANY PRESENTATION 2023

## EDITORIAL

The meaning of the word Elmon is "Helmet". It is symbolized by the Corinthian helmet which we use as our emblem.

For the Hellene citizen, his own armoury was much more than just weapons to use. It represented his view of the world, his beliefs. It was an extension of himself, a representation of his ideas and will.

We, following the exact same mindset created in 2005 what is today one of the leaders in defence industry worldwide specializing in safety and protection of the human life.

This is our belief. Elmon, beyond all, is to protect.

## PROFILE

ELMON S.A. is a leading Defence Integrator, registered in Athens-Hellas since 2005. ELMON specializes in the design development and manufacture of high-end body armor solutions for law enforcement and military worldwide. We use only the world's finest materials due to our long term cooperation with international market's top brands.

ELMON products meet the highest standards of quality as a result of our continuous investments in research and quality enhancements. In order to ensure this high standard ELMON has also invested in new production capacity which has resulted in relocating to our new owned premises (30.000m<sup>2</sup>) in Peania-Attica where we have gathered all our production activities together.

*We deliver our products to Special Forces & Law Enforcement Units  
& Naval Authorities around the Globe*

## ACCREDITATIONS

As our main goal throughout the years is the protection of human life, quality is the main element to every single step we take during the research, development and production.

In order to assure the end user for our quality consistency, all of our products are being tested and certified by accredited laboratories.

These laboratories are independent third parties, accredited by national governments to conduct tests according to international standards (EN, ISO, NIJ etc)

## MAIN PRODUCT LINE

ELMON S.A offers a comprehensive product portfolio for defence and security requirements. ELMON' s production line combined to a network of strategic partnerships enables us to provide the best possible solutions to government and military end-users to succeed in the harsh conditions they have to face.

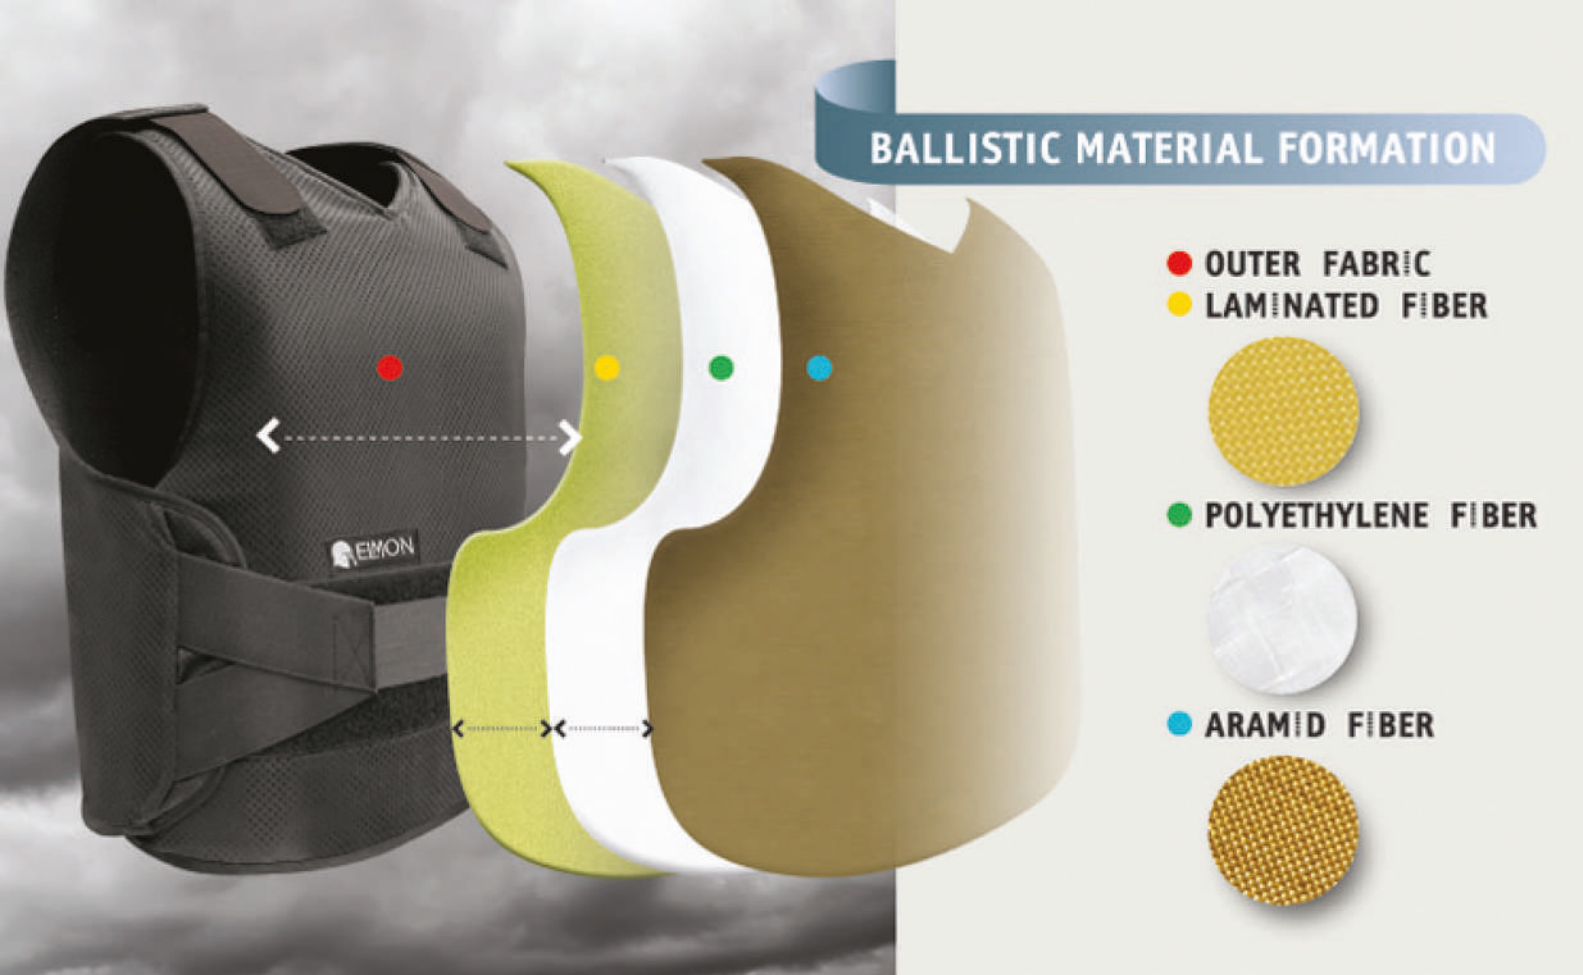

Customized Solutions are tailored in close cooperation with our customers to meet their specific demands.

ELMON Support services assist customers in developing requirements and solutions as well as support to the end-users throughout the whole lifecycle of a product.

**CBRN Protection**

**Honeywell**

**TEIJIN**

## MATERIALS

We continuously research for technological solutions, aiming to reduce the weight and increase the level of protection and comfort for the end user.

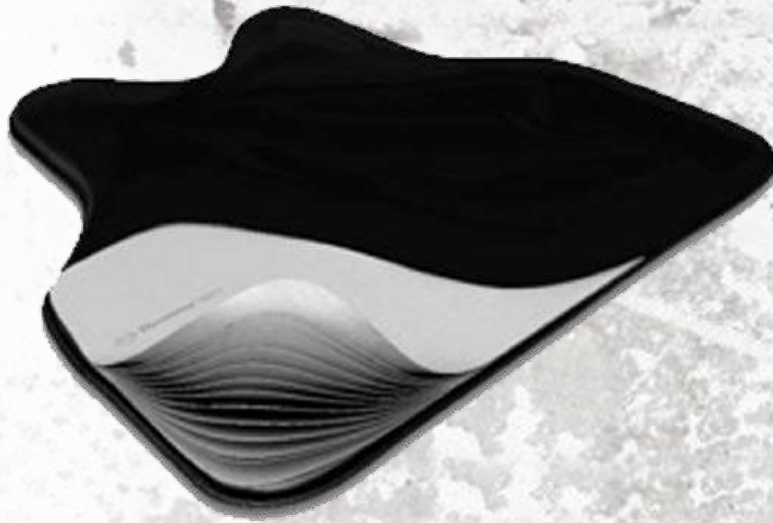

Therefore, we chose to use only the world's finest materials, due to our long term cooperation with market's top brands.

We also use hi-tech fabrics in order to keep the soldier cool and dry in hot and humid conditions. All these fabrics are sewn using high resistance threads.

### FANNY PACK MEDIC BAG

- MOLLE compatible
- Design to be attachable for vests, plate carriers, hip belts etc.
- Large zipped pocket
- The lid opens upward for easy access
- Internal variable fixation points to store medical equipment
- Adjustable hip belt with buckle
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

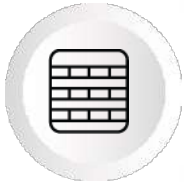

## MOLLE TABLET CASE

- Compatible with tablet dimensions W: 12,4" D: 8,15" H: 0,96 "
- MOLLE compatible
- Design to be attachable for vests, plate carriers etc.
- Front zipped pocket
- Fully & Adjustable opening
- Adjustable opening with webbing and velcro fasteners
- Front Molle panel with Loop Velcro for name tags/patches
- Internal pocket for the charger and hiding cables
- 2 holes at the back side for the cables to pass through
- Elastic cord in four points for better holding
- Internal Molle rows to store auxiliary equipment
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

Pouches & Accessories  
*Tactical Gear*

## M16 TRIPLE MAGAZINE POUCH

- MOLLE Compatible
- Open top pouch with bungee system
- Drain hole with no metal parts
- 9 loops Molle band allow the attachment of another additional pocket
- For the following magazines: 5,56 mm M4, SA80, 7,62 mm AK (not for G36)
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## GENERAL UTILITY POUCH

- MOLLE Compatible
- Main pocket with zip
- Inner extra pocket
- 3 Front MOLLE rows for the adjustment of other pouches
- Drain hole with no metal parts
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## M16 ELASTIC TRIPLE MAGAZINE POUCH

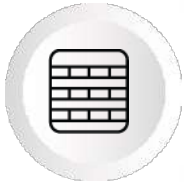

- MOLLE Compatible
- Open top pouch with special elastic material which provides fast reload and safe transport
- For the following magazines: 5,56 mm M4, SA80, 7,62 mm AK (not for G36)
- Water repellent 100% nylon 1000D fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## M16 DOUBLE ELASTIC MAGAZINE POUCH

- MOLLE Compatible
- Open top pouch with special elastic material which provides fast reload and safe transport
- For the following magazines: 5,56 mm M4, SA80, 7,62 mm AK (not for G36)
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

Pouches & Accessories  
*Tactical Gear*

### G3 TRIPLE MAGAZINE POUCH

- MOLLE Compatible
- Open top pouch with bungee system
- Drain hole with no metal parts
- 6 loops Molleband allow the attachment of another additional pocket
- For the following magazines: SR25, SCAR-H, M14, G3, FAL.
- Water repellent 100% nylon 1000D fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

### GENERAL UTILITY POUCH SMALL

- MOLLE Compatible
- 1 main pocket with zip
- 2 Front MOLLE rows for the adjustment of other pouches
- Drain hole with no metal parts
- Water repellent 100% nylon 1000D fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

### G3 DOUBLE MAGAZINE POUCH

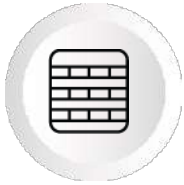

- MOLLE Compatible
- Open top pouch with bungee system
- Drain hole with no metal parts
- 4 loops Molleband allow the attachment of another additional pocket
- For the following magazines: SR25, SCAR-H, M14, G3, FAL
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

### DOUBLE GRENADE POUCH

- MOLLE Compatible
- Drain hole with no metal parts
- Content secured by buckle
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

Pouches & Accessories  
*Tactical Gear*

## IFAK POUCH

- Designed for transporting a personal first aid kit
- MOLLE compatible
- Quick open system
- Possibility of pulling out with any hand
- Internal organizer-case with flexible loops
- Velcro on the front
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## MINIMI 100 ROUND BOX POUCH

- MOLLE Compatible
- Drain hole with no metal parts
- The content secured by buckle
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## QUADRUPLE 40mm GRENADE POUCH

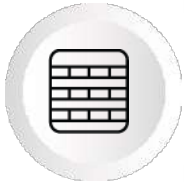

- MOLLE compatible
- Fits 4 round 40mm grenades
- Continuous strap for quick use of grenades
- The content secure by Velcro
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## PISTOL MAGAZINE- MULTI TOOL POUCH

- MOLLE Compatible
- Designed for various sizes of pistol mags
- Adjustable/ removable flap
- Perfect for pistol mags/multi-tools/flashlight
- Outer elastic cord for better fitting
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

Pouches & Accessories  
*Tactical Gear*

## RADIO POUCH

- MOLLE Compatible
- Open top case with bungee and buckle system
- Designed to hold a variety of larger military and law enforcement radios
- Accommodates radios up to 3 in. wide by 9.5 in tall and 1.75 in deep
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## FOLDABLE DUMP POUCH

- MOLLE Compatible
- Drain hole with no metal parts
- The content secured by velcro
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## HELMET COVER

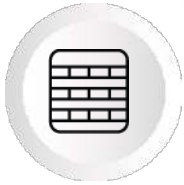

- Available for PASGT helmets
- Sizes MEDIUM & LARGE
- Inner Hook & Loop fasteners to hang on the helmet
- Elastic cord for better fitting
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## WEAPON CATCH HOLDER

- MOLLE Compatible
- Holds slung weapon in place
- Lightweight design
- Hook and Loop Fasteners
- Buckle for extra hold
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

Pouches & Accessories  
*Tactical Gear*

## TOURNIQUET CASE

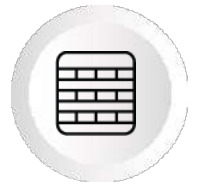

- Universal fit
- Velcro attachment
- Compatible with any plate carrier that has loop Velcro on the front
- Lightweight, durable and flexible to ensure you always have a tourniquet at the ready
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## SMOKE GRENADE POUCH

- MOLLE Compatible
- Drain hole with no metal parts
- Holds a single smoke or phosphorus grenade
- Outer elastic cord for better fitting
- Content secured by Velcro and buckle
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## PISTOL CASE

- Fully adjustable leg strap with non-slip rubber lining and quick release buckle
- Retention system with additional hook and loop strap to secure weapon
- One magazine pouch, with adjustable hook and loop flap
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## PARACHUTE WEAPON HARNESS

- Fully adjustable leg strap with non-slip rubber lining and quick release buckle
- Retention system with additional hook and loop strap to secure weapon
- One magazine pouch, with adjustable hook and loop flap
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## CASE FOR TACTICAL EDGE BENDER ENTRY TOOL

- Is designed to carry tactical Edgebender entry tool
- MOLLE Compatible
- 4 Front MOLLE rows for the adjustment of other pouches
- Content secured by bungee and buckle system
- Outer elastic cord for better fitting
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## CASE FOR TACTICAL MULTIPLY ENTRY TOOL

- Is designed to carry tactical Multiply entry tool
- MOLLE Compatible
- 4 Front MOLLE rows for the adjustment of other pouches
- Content secured by bungee and buckle system
- Outer elastic cord for better fitting
- Detachable lid for bigger protection during transport
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## BACK PANEL & CUTTER CASE

- Is designed to fit the back of the plate carrier
- MOLLE Compatible
- Pull out lower pocket for carriage of MOE gear such as, expandable hammers, hooligan bars and bolt cutters
- 5 Front MOLLE rows for the adjustment of other pouches
- Drain hole with no metal parts
- Water repellent 100% nylon 1000D Cordura fabric
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

## TRANSPORT CASE FOR TACTICAL RAM ENTRY TOOL

- Is designed to carry Mini Ram Breaching Tool
- The holster consists of a metal base to which shoulders and belt have been adapted to be worn as a backpack
- The ergonomic design guarantees easy transport and the quick use of the tool
- Available Colors: MultiCam, Olive Green, Black, Navy Blue

CBRN uniform

## CBRN

Protection against Chemical, Biological Radiological and Nuclear hazards

The CBRN protective clothing is easy to use and has a good comfort for the wearer.

Fulfills the highest requirements and meets the highest technical standards.

Polyester/Cotton Ripstop fabric with flame retardant properties and pyrophoric finish.

Oil repellency (ISO 14419): > 6

Air permeability (ISO 9237): 100 Pa < 120 mm/s

Flammability (ISO 14116): 12xWash/Dry 60°C – index 3

Composition (ISO 1833): Active charcoal on knitted fabric with knitted cover

Range of sizes, colors and camo styles possible

### OVERALL SUIT

- Camouflage Fabric (Any pattern/design possible)
- Easy to de-contaminate
- Hot gases tolerant
- Flame, Heat, Oil, Fungus resistant
- Effective/user friendly in warm climates (>50°C, >90% RH)
- Taped seams, elastic wrist and ankles

### MASK+ RESPIRATOR

- Durable silicone face seal
- Wide field clear vision

### NBC CARTRIDGES

- Against all known CBRN Agents
- Default type: A2B2E2K 2HgSXP3 D R REACTOR

### CBRN GLOVES

- Impermeable protecting against all chemical warfare agents
- Ambidextrous design
- Integration with arm and cuff of CBRN suits
- Do not create static
- Improved grip
- Lightweight and easy to clean

### NBC RUBBER OVERBOOTS

- 24-hour protection
- Impermeable to all Biological agents
- Easy to clean

## FACILITIES

Located at the Industrial zone of Peania, just 10 minutes from the Athens International Airport, stands our new owned 30.000m<sup>2</sup> premises.

This allows functionality throughout our units, Research & Development and Production, according to **ISO 9001, 14001**
